The National Guard Association of New Jersey (NGANJ) works side by side with the National Guard Association of the United States (NGAUS) in providing our member's knowledgeable representation to congress. Your NGANJ legislative team works directly with the NGAUS legislative department to seek equipment modernization, training equivalency, relevant missions and important benefits for the Army and Air National Guard by lobbying Congress and the Executive Branch.

We need your help in ensuring New Jersey's voice is heard. We need you to remain an active member of the NGANJ and NGAUS by paying your 2019 dues and being involved in your association! State membership symbolizes the mandate for NGAUS to represent all National Guard officers and warrant officers. Maintaining a 100% membership sends a powerful message to Washington. Pay your Dues for 2020 starting on 1 OCT 19!

Did you know that NGAUS and NGANJ work specifically for the National Guard Soldiers and Airmen? We are behind National Guard empowerment, a robust GI Bill of Rights, comparable benefits to active duty, modernization of equipment, and other benefits, while working against mission and budget cuts. As an active member, you are eligible to receive NGANJ awards and scholarships for you and family members.

This year, both NGAUS and NGANJ have simplified and reduced our Dues!!
