2023 MEMBERSHIP COMMITTEE REPORT

1 January 2023

There are three funding streams that keep your Association operational. Dues, Corporate Partners, and the State Sponsored Life Insurance Program. We have worked to grow each of these areas over the last few years and are working to increase the membership.

We are working hard to get the word out about the great things we have been doing with legislation initiatives, and interaction with our State and Federal politicians, to include visits to Washington D.C. and to Trenton, and in hosting events such as the Atlantic City Air Show with our State legislators.

Our current membership as of 1 January 2023 is 32%, with 377 of 1,165 Army Officers, Army Warrant Officers and Air Officers. We are continuing to build membership for CY 23 and break the 50% mark.
