

2024 Investment Committee Report

9 March 2024

1. Since the last annual meeting, the investment committee has kept the portfolio with American Funds.
2. During Calendar Year 2023, we did not draw any money from the investment. We continue to earn interest as the market rises.
 - a. As of December 31 of 2020, there was \$96,020.62 in the account.
 - b. As of December 31 of 2021, there was \$104,377.61 in the account.
 - c. As of December 31 of 2022, there was \$88,360.18 in the account.
 - d. As of 31 December of 2023, there was \$100,689.20 in the account.
3. The board has chosen to leave the money in investments, and has the ability to pull money if needed.
