2024 MEMBERSHIP COMMITTEE REPORT

1 January 2024

We are working hard to get the word out about the great things we have been doing with legislation initiatives, and our interaction with our State and Federal politicians, to include visits to Washington D.C. and to Trenton.

We ended 2023 with 239 members of NGANJ and NGAUS , out of 1114 officers serving, down from 377 of 1,165 Army Officers Army Warrant Officers and Air Officers in 2022. We are continuing to build membership for CY 24, and are currently at of 26%, 219 of the 1153 Army Officers Army Warrant Officers and Air Officers. We are working hard to break the 50% mark.

We appreciate everyone's help in getting to our goal. Congress listens more attentively to groups that have larger membership. Pay attention to what NGANJ and NGAUS lobbies for and let us know what YOU want to lobby for.
